PRESS RELEASE – April 7th, 2020

Early this morning Fall River Police Officers responded to JZ Express on South Main Street in response to an alarm. Upon arrival Officer Zachery Vorce found the front door glass shattered and drops of blood on the glass and floor. He notified other responding officers (Zachary Dupere, Christopher Teves, and Aaron Souza) who began a search of the area. Officer Zachary Dupere located Keith A. Cummings age 55 near St. Anne’s Hospital, intoxicated and bleeding from the hand. This male was detained. Officer Vorce was able to view videos from the store security system which depicted a male smashing the glass door, enter the store, open cabinets, and leaving the store empty-handed. While exiting through the broken glass door, the male cut his hand on the glass. Officer Vorce was able to identify the male in the video as the male detained by Officer Dupere. Officer Vorce took Cummings into custody after he was treated at St. Anne’s for his laceration.
